## Three Classes.

The world is divided into three classes, to-wit: Those who chew gum, those who don't chew, and those who can't chew gum. The most unfortunate class is the latter. For this class the sun withholds a part of its light, the moon sheds but a sickly ray, and starlight is a delusion and a snare. Only recently was this inability to chew gum made manifest as a misfortune.

Ordinary chewing gums are scattered through the land like leaves in winter weather, and all who could have been chewing gum for years and years. But now comes TRUE HEART GUM. Of course, the gum-chewing world has been happy in that luxury heretofore, but it's been reserved to us mundane mortals now to bask in the sun-kissed dreams only known to those who chew True Heart Gum. Chewers of True Heart Gum are at peace with the world, forget the past, ignore the future, and rejoice in the sunshine of the eternal now.

We love Kiss-Me Gum and Spearmint Gum, and all the other gums, but oh, you True Heart Gum.

TRUE HEART GUM and MISERY MOVER are for sale at Patrick's Drug Store.

## IN YOUR HOME

Just to show it in action alongside of any other kind of light you may chance to be using.

You will be surprised to note the immense volume of light that it gives—a greater volume than you get from three to five house lights of any other type.

Its effect on your eyes will be a sensation of rest and comfort, and will reflect for the first time the faces of your family, under artificial light, their natural soft, warm colors and the harmonies of decoration and dress will be undisturbed.

We will send out and attach this light to any gas fixtures you designate, you to have the privilege of buying or refusing the light after inspection.

If you wish to keep the light we will charge its cost, \$1.60, to your account—two payments if you like.
